

Directions

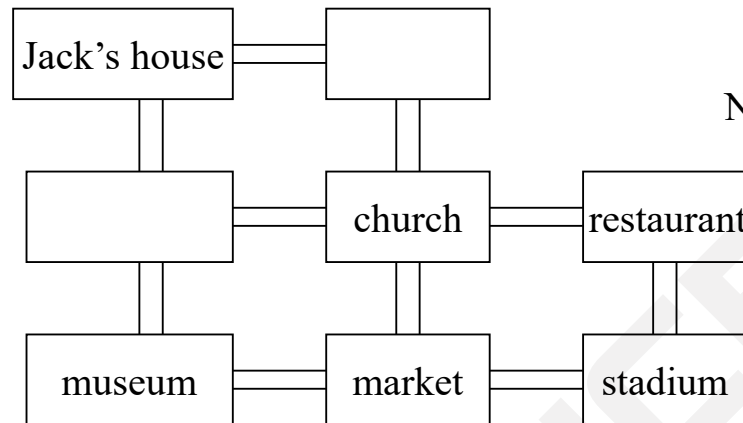

Objective

Understanding 4 directions: north, east, south, and west

Example 1

Answer the questions with the following map.

Jack's house is to the east of the museum.

The stadium is to the south of the market.

The west of the church is the market.

The east of the stadium is the restaurant.

Write down the missing directions on the compass first.

Practice

Use the map above to answer the following questions.

- 1) The church is to the _____ of the restaurant.
- 2) The stadium is to the _____ of the museum.
- 3) The hotel is to the west of Jack's house. Write down its position on the map.
- 4) The garden is to the south of Jack's house. Write down its position on the map.
- 5) The east of the market are the _____ and the _____.
